Building a Foundation

Charitable giving has sustained Thompson Health for more than one hundred years. Your dedication to Thompson and continued generosity has provided the necessary support to assist our skilled and compassionate staff with the increasingly complex healthcare needs of our community.

Whether you made a gift in memory of a loved one or to our Annual Fund, established a charitable gift annuity, or participated in one of our numerous fundraising events, your contribution ensures that Thompson continues to provide health and healing to our community.

At the close of 2008, our fundraising efforts totaled more than \$4MM. In addition to receiving a generous anonymous gift of \$3MM and several planned gifts, we continue to be humbled by the loyal and generous support of more than 3,000 donors recognized in this report. Pictured are just a few of the many friends of the F.F. Thompson Foundation.

Thank you for making Thompson Health a priority in your charitable giving. Each contribution helps to maintain Thompson's reputation as a leader in healthcare excellence. And it is your continued generosity that will support our foundation for lifelong health.

Leadership and Guidance

The F.F. Thompson Foundation was formed more than twenty years ago. In that time, Thompson Health has grown from a small community hospital to a health system recognized for excellence, quality and unprecedented service.

As Thompson Health navigates the ever-changing guidelines of the healthcare industry, we rely upon the leadership and guidance of the F.F. Thompson Foundation Board of Directors to oversee the fundraising activities of the Foundation and ensure that our efforts are paired with the priority needs of the health system and our community.

Lasting Gifts

More than one hundred years ago, Mary Clark Thompson recognized the need to bring excellent healthcare to our community. Through her compassion, commitment, financial support and leadership, she created a legacy of caring that has changed many thousands of lives, across many generations.

Through the years, many individuals have left their imprint through a charitable gift annuity, charitable remainder trust or a bequest to Thompson Health. Lasting gifts such as these ensure the long-term financial stability of the health system.

IN MEMORY

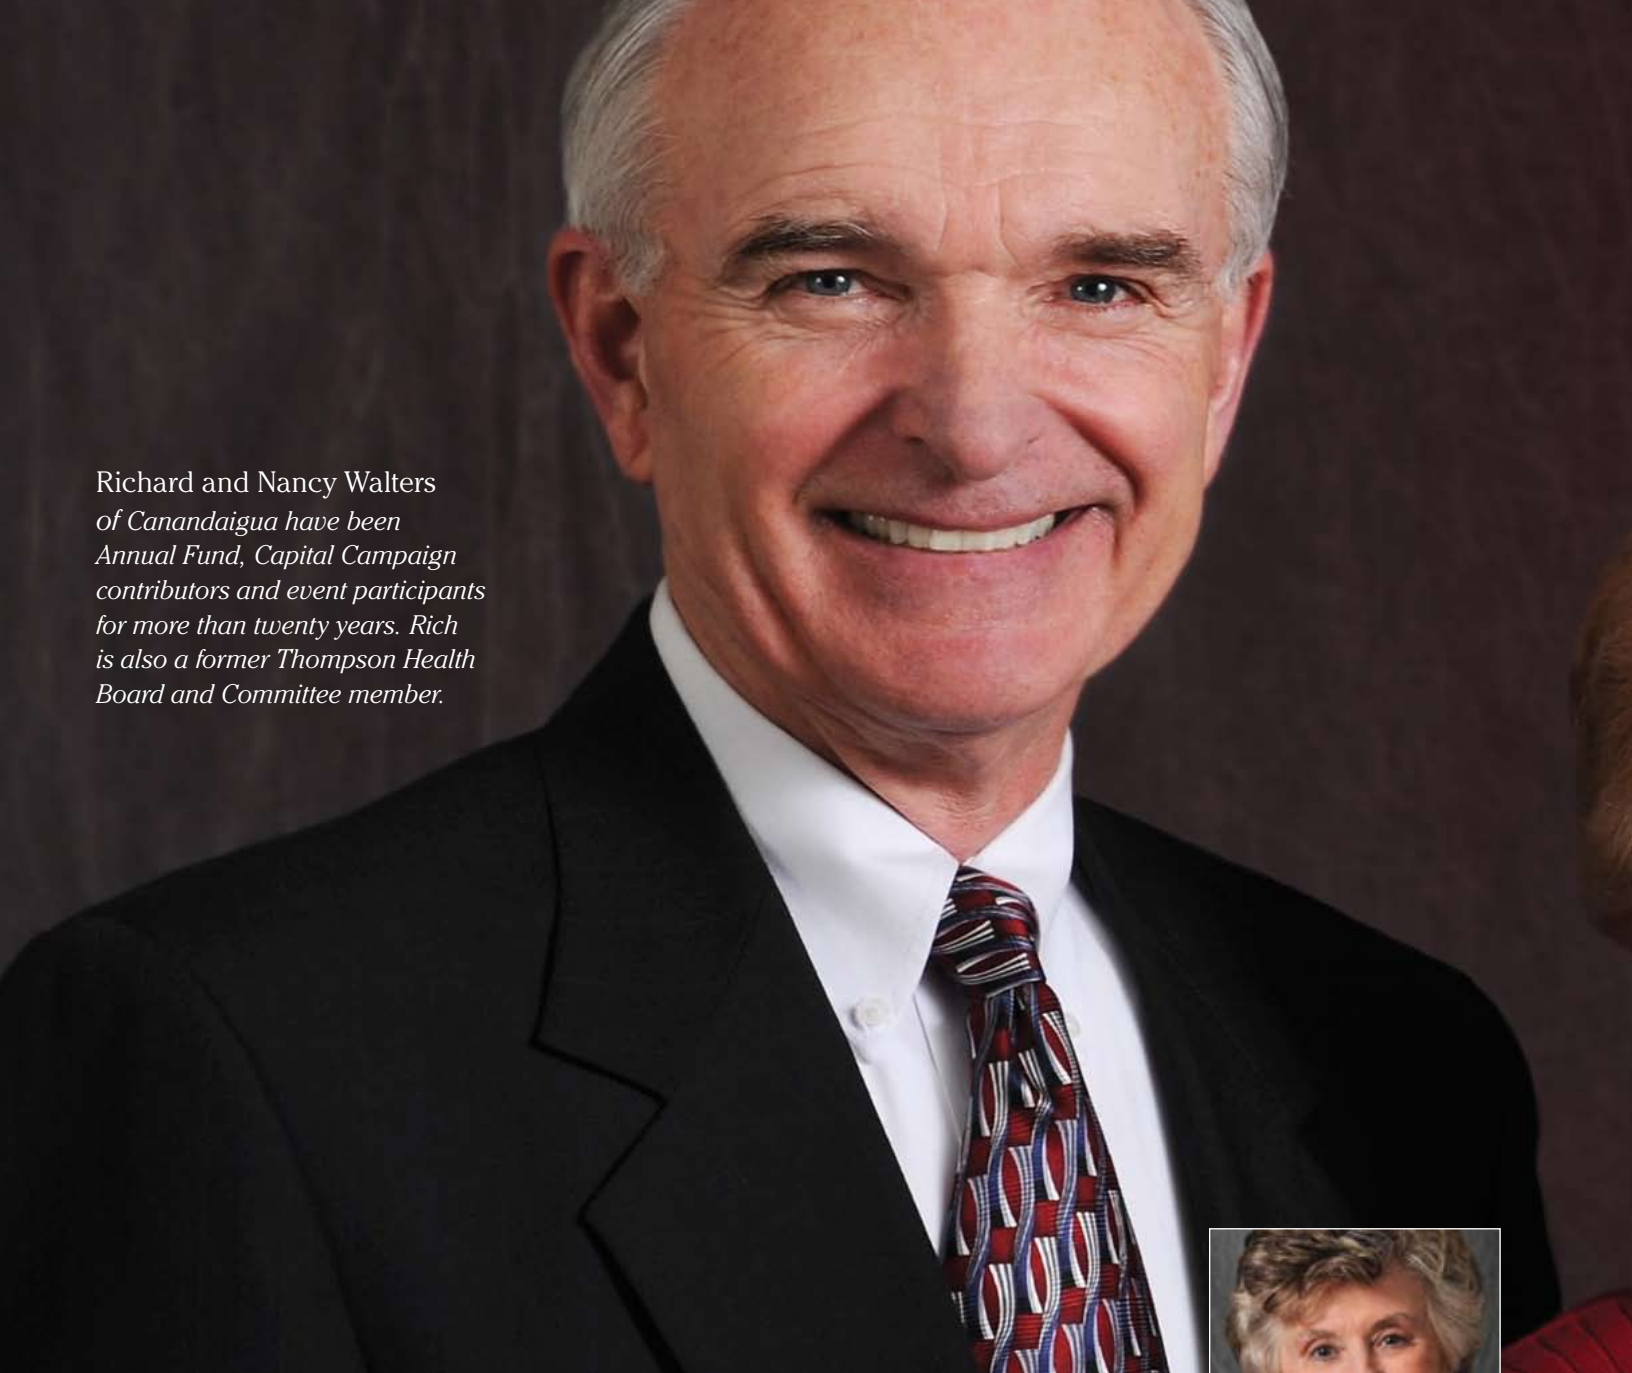

In 2001, Robert and Ruth Craugh were awarded the Star of Distinction in recognition of their sustained and significant contribution to Thompson Health and our community. Bob, a retired banker, was one of the original members of both the F.F. Thompson Foundation Board of Directors and F.F.T. Senior Communities, Inc. Board of Directors. He also served as Treasurer of the Health System Board for several years. Ruth was also involved with Thompson for many years and served as Treasurer of the Thompson Guild. Today, their legacy lives on through a generous bequest to Thompson Health. In 2010, we plan to break ground for the new Robert and Ruth Craugh Rehabilitation Center.

Bobbie Potter
of Canandaigua is one of F.F. Thompson
Foundation's Charitable Gift Annuitants.
Bobbie is also Vice President of the
Thompson Guild Board of Directors.

“A Charitable Gift Annuity seemed the perfect way for me to be a part of Thompson Health’s future. My gift will grow, will provide me with an annual income and will support the goals of the health system.”

Richard and Nancy Walters of Canandaigua have been Annual Fund, Capital Campaign contributors and event participants for more than twenty years. Rich is also a former Thompson Health Board and Committee member.

Building an Environment of Care

Thompson Health continues to grow and thrive. In the last five years alone, we have unveiled the new Golisano Center for Emergency and Diagnostic Medicine, Hawks Emergency Department, Polisseni Family Diagnostic Imaging Department, Sands Family Lobby, Hamlin Family Patient Access Center, Si and Mary Siewert Surgical Care Center and the M.M. Ewing Continuing Care Center. Renovations continue throughout the health system thanks to an overwhelming response to our Annual Fund Campaign, the support of our Summer Soiree Gala and the receipt of several special major gifts. Each and every gift helps to build and sustain our environment of care for you, your family and our entire community.

From Left: Richard Stiggins and wife Nancy Bridgeford of Lake Oswego, Oregon with Pittsford residents Bonnie and Ronald Stiggins. The Stiggins families have contributed to the M.M. Ewing Continuing Care Center since 2005.

Mary Louise and Jean Bell of Canandaigua have been Annual Fund and Capital Campaign contributors for more than twenty years. Mary Louise is also a Thompson Health Volunteer and Thompson Guild member.

Advances in Technology

As our community grows, it is critical that Thompson remains current with technology to assist our staff in caring for the increasingly complex healthcare needs of our community.

Carl and JoAnn Reed of Canandaigua have been Summer Soiree Gala participants since 1999. Carl's business, CA Reed Associates, Inc., sponsored the 2008 Gala.

Jerry Colf of Canandaigua has participated in the C52 Justin Rothe Memorial Bike Ride for the past eight years. In 2008, Jerry was the top C52 fundraiser.

In 2008, donations from the Thompson Guild, along with the proceeds from the C52 Justin Rothe Memorial Bike Ride and the Summer Soiree Gala, all helped to fund the purchase of a Bone Densitometry Unit for our Diagnostic Imaging Department, Pulmonary Function Testing equipment for Respiratory Care and other diagnostic technology for the health system.

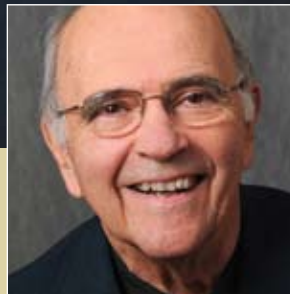

*Peter Robinson and Jean Case of
Rochester have been Gala guests
for more than five years.*

Continuing a Legacy of Caring

More than 3,000 individuals and businesses continued Mary Clark Thompson's Legacy of Caring throughout 2008. We see their gifts of time, talent and treasure at work all around us. While many choose to support a special campaign or give a gift in honor or in memory of a loved one, others choose to participate in, underwrite or coordinate a fundraising event. Donors' gifts are being matched by their employers' philanthropy programs, volunteers are finding ways to support our staff, businesses are supporting special events through in-kind gifts and individuals are taking advantage of online and monthly giving programs. Whether your gift is of time, talent or treasure, we thank you for helping to keep Thompson Health's future bright.

Dr. Joseph and Teresa Berley of Canandaigua have supported the Annual Fund for more than ten years. Through Pactiv Corporation's Matching Gift Program, their gifts are matched dollar for dollar.

Raymond Hasenauer of Canandaigua has supported Thompson Health for many years. Raymond continues his annual support through the Foundation's Monthly Giving Program.

John Lynch of Canandaigua has been a Thompson Health Surgical Care Center and Transport Volunteer since 2003.

Canandaigua resident and Thompson Health Operating Room Nurse Kathy Cooley participated in the 6th Annual Ride for Independence.

Diane Griffith, Canandaigua resident and owner of Park West Hair Design & Spa in Canandaigua, has been an In Kind Sponsor for numerous special events over the years including the Summer Soiree Gala, the Sands Cancer Center Golf Classic and much more.

Penn Yan resident and Thompson Health Surgical Care Center Nurse Janet Osgood is shown with one of Thompson Health's youngest supporters, Ryan Hubler of Canandaigua.
