Report on Giving

# A Community That Cares

Even during challenging economic times, 2009 proved that our community values the work we do here at Thompson Health. More than 3,000 individuals, organizations and businesses told us how important Thompson Health is to them through their support.

Collectively, the individuals and groups highlighted and listed on the pages of this report have made a tremendous impact. Whether through a lead gift to our capital campaign, an individual's gift to our annual fund, or a group's contribution to one of our programs, we are reminded of how much those in our community care for one another. Your gift to Thompson is a gift to our community – ensuring healthcare excellence each and every day of the year.

Thank you for caring. Thank you for making Thompson Health extraordinary.

## Our Mission

# Extraordinary Vision. Overwhelming Generosity.

*o Sands, President/CEO, Constellation Brands*

“The world will remember us not for what we accomplished for ourselves... but what we accomplished for others.”

*Marvin Sands*

The Sands Family has a long legacy of generous support for Thompson Health including the Sands Cancer Center, Intensive Care Unit, Ferris Hills and Clark Meadows and numerous other important projects throughout our campus. In 2009, the Sands Family and Constellation Brands pledged a combined gift of \$4 million in support of our 61,000 square foot, two-story expansion and 42,000 square foot renovation of F.F. Thompson Hospital. When completed, the space will include new areas for Surgical Care, Ambulatory Procedures, Rehabilitation Services, the Laboratory, Nutrition Services, Associate Services and other administrative areas.

This latest gift is a tremendous statement of support for our mission, our Associates, and our community and is the lead gift in our capital campaign. We are exceedingly grateful for the generosity of the Sands Family. This along with the support of others will carry Thompson Health into the future.

This gift reflects the Sands Family’s and Constellation Brand’s ongoing commitment to ensuring that our area’s health service providers have the resources necessary to meet the growing needs and demands of our evolving community.

# rgent Care Center

Community support has made the newly renovated Thompson Health Urgent Care Center and the digital x-ray suite in Farmington a reality. This facility and its new services further expand Thompson's ability to serve families and individuals in the community who have non-life threatening injuries or are in need of medical care after hours when a regular primary care physician is unavailable. This center helps free up the Emergency Department at F.F. Thompson Hospital for more traumatic injuries and has the added benefit of offering service with a lower co-payment and with less wait time than typical Emergency Room visits.

**generous lead gift** from the estate of Regina F. Crowe and the Thompson Guild helped fund the new state-of-the-art digital x-ray machine at the Urgent Care Center. We are especially grateful to Tom and Betsy Kubiak for funding the Patient Waiting Area Dale and Patty Hunt for their contribution for the Children's Waiting Area and the Canandaigua Kiwanis Club for their generous pledge for the renovation of the Patient Reception Area. Many additional donations were received from our Summer Soiree Gala participants.

The Thompson Guild established an Education Fund in 1997 for all Associates in the hospital and the M.M. Ewing Continuing Care Center. Their annual support has provided Associates an opportunity to learn more about topics as diverse as wound care, physical therapy and balance disorders, recreational therapy and even marketing techniques.

# Workforce Initiative Support

It is important for Associates to learn the newest developments in care delivery. Assistance from our Workforce Education Fund helps keep our healthcare professionals current in their field.

JENNIFER DEVA, LT, VICE PRESIDENT,  
ASSOCIATE SERVICES

Well-trained professionals with up-to-date skills and information are crucial in ensuring effective care and prompt intervention for the increasingly complex health concerns of our patients. Thanks to generous gifts from the Thompson Guild, Thompson Health Medical Staff, and KeyBank, our Workforce Education Funds were replenished to assist Associates with the cost of continuing education.

Because health care is changing so rapidly, nurses and other clinicians are required to demonstrate competencies and receive continuing education as part of their annual credentialing. The Thompson Health Medical Staff contributes annually to Thompson's Nursing Scholarship Fund to ensure that our nursing staff can receive the required training and remain current with the newest and best modalities of care. Our corporate neighbor, KeyBank, has recognized the importance of our workforce development and awarded the Nursing Scholarship Fund with a generous grant from the KeyBank Foundation.

# Navigation Program Support

Each year approximately 50 women from our community are diagnosed with breast cancer at F.F. Thompson Hospital. For these women, and for others seeking breast care, Thompson Health offers the Breast Health Navigation Program. The six-member navigation team of health care professionals, including a mammography nurse, a breast health specialist and a social worker, is dedicated to working with women for early detection and treatment. The team assists women who have been diagnosed with cancer navigate the health care system to receive the necessary care and support services. Funds raised for this program ensure that the services the team provides are at no cost to the patient.

*Pink Fly Invitational Golf Tournament Committee members: (From left) Deborah Mahlen, Nancy Alexander, Jennifer Haney*

Support for this program has come from several different sources including the Penn Yan Girls' Cross Country Team, which donated profits from the sale of pink sweatpants, and Excellus BlueCross BlueShield which funded educational materials and teaching models. Proceeds from three fundraising events – the 1st Annual Bowl for the Cure at Roseland Bowl, the 6th Annual Pink Fly Ladies Invitational Golf Tournament, and the Pink Ribbon Round-up at the Sonnenberg Bridal Showcase – all benefited the Navigation Program. In addition, a grant from the Komen Central New York Affiliate was awarded for a screening initiative for uninsured and underinsured women in the area.

# Community Support

So many community groups support Thompson Health in so many ways. Here are a few examples of our community's generous spirit.

Numerous individuals, families, and companies provided elaborate gift baskets and premium wines for the Summer Soiree Gala silent auction, which supported our Urgent Care Center's expansion and renovation.

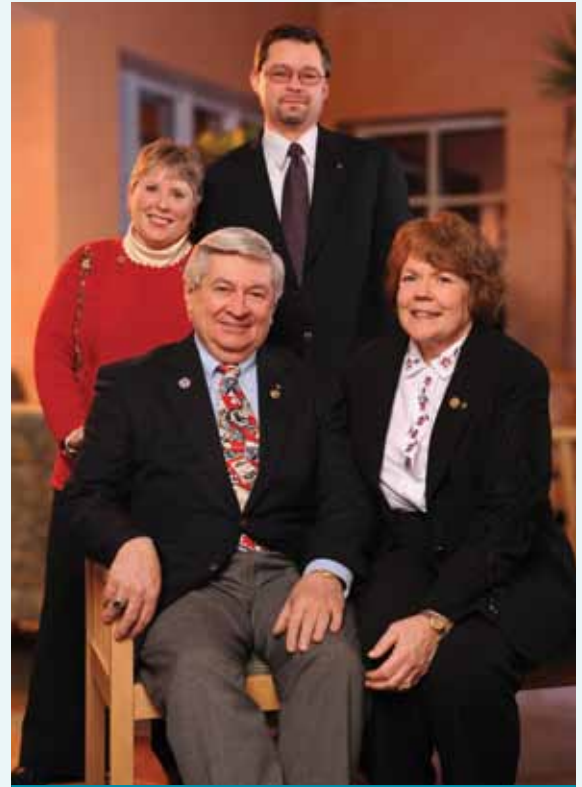

The Canandaigua Rotary gave funds towards a patient-controlled analgesia device for post-operative patients.

The Canandaigua Federal Credit Union donated the proceeds from an Employee Dress-Down Day to Thompson's pediatric patients.

Wal-Mart made numerous in-kind donations to Thompson events including a Wii gaming console for the 18th Annual Holiday Bazaar raffle to benefit the M.M. Ewing Continuing Care Center's *ish upon a Star* program.

The Goff family accessed Thompson's Wish List and collected gifts for our pediatric patients at their Halloween Birthday Party.

Bob and Aimee Ward, owners of Finger Lakes Gallery and Frame, gathered artwork from more than 25 local artists and held a silent auction to benefit the Sands Cancer Center.
