OUR FOUNDATION, OUR FUTURE

“A simple act of kindness can change the course of a lifetime.” Author unknown

For over a century, Thompson Health has been dedicated to keeping our community healthy. Each day, we strive to uphold Mary Clark Thompson’s legacy of caring by delivering the highest quality, most compassionate health care.

Like other not-for-profit health systems in the state, we continue to depend upon charitable contributions to grow and thrive – and are grateful to the individuals, groups and corporate partners recognized on the pages of this report for their support. These are just a few of the many kind friends who have helped Thompson provide exemplary health care by donating to our capital campaign, annual fund or one of our vital programs.

On behalf of Thompson Health, we thank you for your generosity and are truly honored by your steadfast support. Together we can continue to bring new babies into the world. . .help patients to heal. . .save the lives of our neighbors. Together we are the foundation of our future.

Our Mission

F.F. Thompson Foundation, Inc., a not-for-profit organization, is committed to achieving philanthropic support for the services and priority needs of the system's affiliated tax-exempt corporations and to overseeing the management of restricted and unrestricted funds of the foundation.

BUILDING A HEALTHY FUTURE

To continue our long tradition of providing superior health care, Thompson must constantly grow and improve.

Early in 2010, we launched our *Building a Healthy Future* Capital Campaign.

After receiving a generous lead gift from the Sands Family and Constellation Brands, we were on our way to achieving an ambitious goal of \$14 million to help fund PROJECT EXCEL, Thompson's 103,000-square-foot expansion and renovation initiative. We are extremely grateful to our Capital Campaign Committee members who helped provide guidance and build momentum for our Capital Campaign.

These enthusiastic individuals worked tirelessly to plan campaign-related activities, raise philanthropy to a higher level and assist us in spreading the word about how our capital improvements will enhance the patient experience, increase our quality of service and improve overall patient satisfaction at Thompson Health. As 2010 came to a close, more than \$13.8 of our \$14 million goal was raised. Once again, thank you to our hardworking Capital Campaign Committee members. Together, we are "building a healthy future" for the families of our community.

GENEROSITY THROUGH THE GENERATIONS

At Thompson Health, we are truly fortunate to have the unwavering support of so many wonderful families in our community. Through several generations, these dedicated friends have graciously opened their hearts and homes to Thompson, giving countless dollars and hours of their time to ensure we can continue to meet our community's health care needs. While many families chose to support a specific campaign, others gave a gift to commemorate a loved one, coordinated a fundraising event or volunteered simply to brighten a patient's day. We salute the families and friends of Thompson Health who are helping to preserve a legacy that will benefit future generations.

“Since many members of our family have experienced the first-class services and care provided by the Thompson Health system, we welcomed the opportunity to support the hospital expansion project. We were also pleased to help fund state-of-the-art equipment for the labs. It is our hope that these enhancements will serve the community well.”

“To maintain a prosperous and growing community, excellent health care is essential. Thompson Health Associates are committed to providing a quality experience to each person they serve. We feel blessed to have a health care system of Thompson’s caliber in our community – and believe the support we provide now will have a positive impact for generations to come.” Wade Sarkis

“Thompson Health plays a key role in keeping the community where we live, work and play healthy. It offers the medical expertise and sophisticated technologies found at healthcare facilities in large cities, along with compassionate, personalized care. Our family gives to Thompson to help ensure that all members of our community will have access to world-class health care at every stage of life.”

LEADERSHIP DONORS

Throughout our history, Thompson Health has counted on our corporate partners and community leaders to assist us in continuing Mary Clark

Thompson's legacy of caring. These extraordinary individuals and businesses have never let us down. We are forever grateful to our leadership donors for their overwhelming generosity. Each gift has enabled Thompson to maintain – and build upon – our reputation as a leader in healthcare excellence.

“Canandaigua National Bank has a special connection to Thompson Health through our shared 100+ years in the Canandaigua area. We consider Thompson a pillar of our community and are proud to support an organization that shares our core values and commitment. Gifts to Thompson directly impact the lives of our families, friends and neighbors. Every donation helps promote the continued health and well-being of our community, a goal we should all take part in achieving.”

George W. Hamlin, IV

(Sitting) Frank H. Hamlin, III, President, Canandaigua National Bank.
(Standing) George W. Hamlin, IV, Chairman & CEO, Canandaigua National Bank, Thompson Health Board Chairman (2004 to 2008), currently Emeritus.

Ronald L. Hainen, MD, Director of Nuclear Medicine and Breast Imaging, F.F. Thompson Hospital; Thompson Health Board Member; Assistant Professor, Department of Imaging Sciences, University of Rochester Medical Center.

“My ties to Thompson are very strong and I consider the hospital a valuable asset to our community. There are many factors threatening smaller hospitals, especially in New York State. To be able to provide the highest level of care, as well as remain on the cutting edge of technology, Thompson needs the support of our community’s companies and families now more than ever.”

Ronald L. Hainen, MD

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”

John Quincy Adams, 6th President of the United States

Thank you to our 2010 Leadership Donors for paving the way to a brighter future.

WOMEN IN PHILANTHROPY

Since 1905, the Thompson Guild, a not-for-profit fundraising organization, has served Thompson Health and our surrounding communities. Established by the F.F. Thompson Hospital Board of Directors, the Guild's goal is to raise funds to purchase needed medical equipment and furnishings for the Thompson Health System. Today, the Guild has more than 200 members and is governed by a volunteer Board of Directors. All of us at Thompson Health are privileged to have the support of the Guild – and express our sincere thanks and appreciation for its continued generosity.

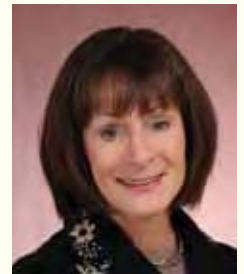

Thompson Guild Board of Directors

“We are proud of the Guild and all the things we have accomplished over our 100+ years. Our steadfast support serves as a testimony to how much we believe the ‘Thompson way’ is the best way.”

Gifts from the Guild

Numerous gifts made possible by the Thompson Guild in 2010 included:

- A 15-passenger, handicapped accessible, air conditioned bus, which cost more than \$55,000, for M.M. Ewing Continuing Care Center residents and Brighter Day participants
- A \$4,500 automatic door for easier access to M.M. Ewing Continuing Care Center's Rosewood section
- A \$9,000 contribution towards the Debra R. Hawks Memorial Garden
- Proceeds of more than \$11,000 from the Guild's Basket Raffle, which funded eight Logitech® Pro 9000 Web Cameras to connect Thompson off-sites with the main campus, an LCD-LED HD TV for use during educational activities, plus numerous other workplace enhancements
- A \$10,000 contribution to the Health System's Education Fund, allowing Associates the opportunity to attend workshops, seminars and certification courses
- A \$17,500 VeinViewer® Vision Imaging System for Thompson's Birthing Center, making IV insertions and blood draws quicker and less painful for babies
- A \$350,000 contribution with funds from the Regina Crowe estate to upgrade the Urgent Care Center on Route 332 in Farmington
- A \$300,000 pledge to the *Building a Healthy Future* Capital Campaign
- A \$10,000 Underwater Aquatic Treadmill for the new hydrotherapy center, purchased with profits from the Guild's Fashion Show

CREATIVE COMMUNITY SUPPORT

From silent auctions to a summer soiree, to raffles, races, golf and garage sales, there certainly was a broad spectrum of out-of-the-box and over-the-top fundraising initiatives during 2010. All of us at Thompson Health extend our appreciation to each and every member of our community, as well as to local clubs, organizations and corporate supporters. You are all our valued partners in health – and the reason Thompson is able to grow, thrive and serve our community well.

“It’s important to support key local organizations that play a vital role in serving our community and its families. Thompson Health is one of these organizations.”

Mike Roeder

In April 2010, Ravenwood Golf Club donated the use of their facility for our 14th Annual Better Life 5K. Their generous contribution provided a unique, scenic, safe and challenging course on the golf club’s paved cart paths. After the race, all participants, volunteers and spectators were welcomed to Ravenwood’s banquet facility for an awards ceremony and refreshments.

“The entire team at CMAC greatly appreciates our community’s generosity and support. We are thrilled to be able to connect our facility with organizations such as Thompson Health and give back in such a meaningful way.”

Ginny Clark, President and Executive Director,
Friends of CMAC

In partnership with The Constellation Brands-Marvin Sands Performing Arts Center (CMAC) and the Canandaigua Family YMCA, Thompson Health distributed more than 70 flu shots at a free flu clinic in November. This clinic for the uninsured and underinsured was made possible through monetary “tips” collected during the summer by CMAC Ambassadors at the Robert Mondavi wine tent. The Ambassadors, volunteers from Constellation Brands, Inc. who staffed the tent during each of the 23 events at CMAC, collected nearly \$2,000. CMAC matched the amount for a total donation of \$4,000 to fund the free flu vaccinations and other efforts promoting health and wellness in the Canandaigua community.

INVESTING IN TECHNOLOGY AND TALENT

To keep pace with the ever-changing healthcare needs of our community,

Thompson Health must continue to invest in our Associates and state-of-the-art technologies. Whether it's providing career advancement opportunities, staying equipped with the latest machines to detect breast cancer early or being able to access veins easily in the tiniest of patients, donations to F.F. Thompson Hospital help us remain on the leading edge of technology and provide the highest quality health care.

“Thompson Health’s skill training program provides hospital employees with the opportunity to advance their careers, earn a greater income and improve the quality of Thompson Health’s services. We are pleased to support this exceptional program.”

James Carriero

During 2010, Thompson Health received a \$50,000 grant from KeyBank to provide skill training in phlebotomy and electrocardiogram testing (EKG) over a three-year period to all current acute care nurse aides at F.F. Thompson Hospital.

“A donation to Thompson Health is a gift that gives back to all. By acquiring new equipment, Thompson is able to perform less invasive procedures and provide more efficient health care.”

Drs. Mark and Karen Blazey

Full field digital mammography equipment enables Thompson to offer patients in our area the benefits of ultra-safe, ultra-fast imaging with outstanding clarity and accuracy. Unlike traditional film mammography, digital images are viewed on high-resolution monitors. Our radiologists can also adjust the brightness and zoom for a closer look at any suspicious breast abnormalities. Our heartfelt gratitude to Mark and Karen Blazey for helping to make the purchase of our digital mammography equipment possible.

“We are honored to continue to support Thompson Health and to make a difference in the lives of so many babies.”

Shirley Miller

A generous gift of nearly \$17,500 from the Thompson Guild enabled us to purchase a VeinViewer® Vision Imaging System for our Birthing Center. This cutting-edge machine uses near-infrared light and patented technologies that allow clinicians to view babies' veins before inserting a needle for blood draws or IVs. This increases comfort and efficiency, as well as reduces stress and the number of painful needle sticks in babies.

LEAVING A LEGACY

Everyone who knew Carl Gehrig remembers him as hardworking and a master at fixing things.

As a lifelong resident of Canandaigua, he owned and operated Carl's Collision, a popular body shop on Green Street, for several decades.

Carl, who was a U.S. Air Force Korean War veteran, never married and had few living relatives. But his mother Leora was perhaps the most important person in his life. As the one-time owner of the Georgian Motel in Canandaigua, she assisted Carl with the accounting side of his business.

After Leora's death at the age of 95 in 1999, Carl set up a testamentary charitable remainder trust, naming the F.F. Thompson Foundation as the beneficiary after his own and his brother's passing. He made this extraordinary gift in appreciation for the care his beloved mother received while a patient at F.F. Thompson Hospital.

When Carl passed away in December 2003, a portion of his estate was left to the Thompson Foundation and the Sands Cancer Center. The remaining testamentary gift was received in 2010 upon the death of his brother.

All of us at Thompson Health are grateful for Carl's generosity and foresight. Although he did not seek lifetime recognition for his gift, we are confident Carl would be very pleased to know that his philanthropy will help build a healthy future, enabling many more generations to continue to receive excellent health care – just like his mother did – right in our own community.

Carl C. Gehrig, Jr.

“Carl had many friends and was very generous. He had a winning smile, ‘million dollar hands’ and knew how to fix just about anything. Carl was also a perfectionist and wouldn't let a vehicle leave his shop until it was perfect.”

Ron Mullen, longtime friend and executor

Retirees Alice and Robert McConnell enjoy serving as Thompson Health Ambassadors. Both volunteer in patient transport, helping ensure our patients reach their destinations safely – plus Alice also lends a helping hand in the gift shop one day a week. “We’re pleased to help out however we can,” says Alice.

John E. Miller, Past President of the Thompson Health Board of Directors and President of Miller Nurseries, was pleased to support the Thompson Guild's annual plant sale. In addition to helping raise funds for Thompson, the sale gave Associates the opportunity to shop for bedding plants, perennials and hanging baskets on site. Miller Nurseries' employees also donated their time by helping out during the sale. "As a past Board Member for 31 years, I've witnessed firsthand all the good Thompson Health does for our community," says John. Miller Nurseries team: (From left, front row) Terri Case and Jennifer Craig. (From left, back row) Ed Walsh, Jeremy Frere and John E. Miller.

Since 1976, the Canandaigua Lions Club has been active in the community, providing services that promote optimal sight and hearing – and supporting organizations such as Thompson Health. "Thompson offers excellent health care right in our own community," says Mary Eileen Sykes. "Our club enjoys hosting bingo each month at the M.M. Ewing Continuing Care Center – it's certainly a bright spot in our day." In addition to supporting Thompson, the Lions Club sponsors a wide variety of local events and youth-related programs. Members of the Canandaigua Lions Club: (From left, standing) Mary Eileen Sykes, Barb Hildreth, Bert Mamula, Roger Bardwell, Mike Sykes, Brian Case and Patty Cote. (From left, sitting) Curt Stromstad, Steve Flamini, Geoff Hallstead and Club President Linda Stundtner.

Donna Barkman, who volunteers at Thompson Health through Ontario ARC, believes it is important to give back to your community. "The people who work at Thompson have been great to me over the years – and I'm happy to go there and help where I can," says Donna. "I especially enjoy visiting with and singing to the residents at the M.M. Ewing Continuing Care Center."

In May, the Canandaigua chapter of the Kiwanis K-Kids, a student-led community service organization comprised of 5th-grade students from Canandaigua Elementary School, presented a \$1,000 check to Thompson Health representatives. The funds, raised from the group's cookie dough and bake sale, were used to purchase neonatal and pediatric stethoscopes for F.F. Thompson Hospital. Many thanks go out to the students and their teachers, Ann Gleason and Andy Hart.

Doc's Lakeside Seafood and Steakhouse raised \$6,500 for Thompson Health's Sands Cancer Center with their record-breaking lobster roll. The restaurant also donated over \$2,100 to our Breast Health Patient Navigation Program, which provides women in our community free access to early detection services. Our appreciation to: (From left) Manager Bill Wiesmore, Owner Dan Alexander, MD, and Chef Nicholas Rada.

During April 2010, approximately 100 runners took part in the 1st Annual Poppa Bill's Angels Run for Hope. All proceeds from this 5K race, named in memory of Bill DiCicco, benefited charities and organizations that are dedicated to helping cancer patients and their families, including Thompson Health's Sands Cancer Center. "While Bill was a patient, our family became aware of the Sands Cancer Center Patient Needs Fund and thought contributing to it would be an ideal way to give back to everyone who helped us," says Martha Eddy DiCicco, Event Coordinator for the race. "We're pleased to support the Sands Cancer Center – and to continue honoring the memory of a wonderful man who always had a smile for those who shared the treatment room with him."
